

New AYSO Supply Center Login Instructions AYSO Marketing Toolkit

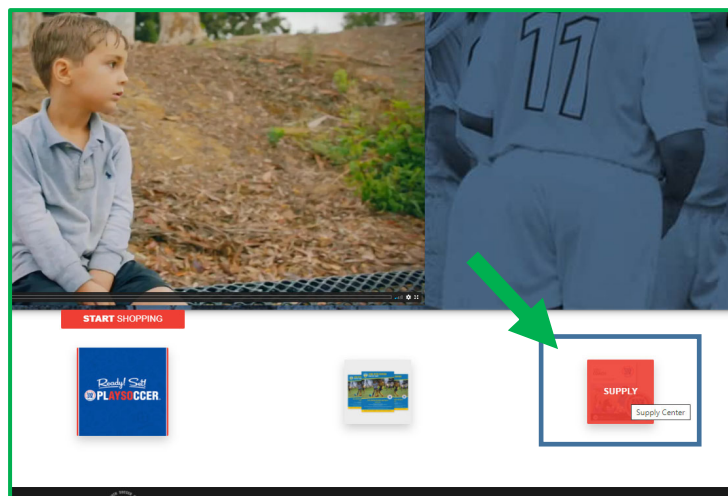

To access the new Supply Center, you will need to logon to our new Marketing Toolkit site - <https://www.aysomarketing.org/>

If you are an authorized purchaser, use your Supply Center user name, and click the forgot password button to reset your password in the new Marketing Toolkit system.

If you don't have a username, please email marketing@ayso.org and request credentials.

Once you are set up, when you log in, under Start Shopping, scroll to the rightmost icon. It's a thumbnail cover of a 10U Coaching Manual; once you hover over it, it turns into the Supply icon shown here.

Once you click on the Supply Icon, it will take you to the new Supply Center.
